

Board

Instuction of the game

Board – is the game which helps children spend time actively and with benefits. By this game you can learn new words and how do flags of countries look like.

**FOR GAME YOU NEED:
WHITE CANVAS,
PAINTS, DICE, STICKER PAPER**

Rules of the game:

Children throw the dice and make steps on the canvas according to this. You check which colors is each of numbers and ask them say word in language that this color is chosen for. When someone receive number 5, 10 or 15 you glue on his or her T-shirt the flag of appropriate countries.

In this game you can add different task, according to your interests and opportunities. For example you can fill up the game with some simple movements (jumps, squatting, etc). Also you can use songs or poetry in foreign languages, if you had learnt

Preparation for game

1. Use canvas and paints to draw the scheme like on the picture.
2. Choose 3 countries, which language you are interested to learn. Draw the flag of each countries in the corners with circle.
3. Choose colors for each of countries and paint out squares in different sequence.
4. Ask children to draw flag of countries on sticker paper.
